

“I never imagined I would
be so happy anywhere other
than my home.”

—JOANN MYSTER, MIRADOR RESIDENT

JoAnn loves everything about her new coastal-style life at Mirador. The pleasures. The perks. The people. But sometimes she just can't believe it: *“It feels too much like a vacation to be true!”*

JoAnn, it's true.

That's because when we built Corpus Christi's first and only Life Care senior living community, with a full continuum of care, we didn't follow any of the old rules about what senior living should be. We developed a brand new concept that puts life and all its possibilities first.

Mirador. Corpus Christi's most distinctive senior living resort. Where people like JoAnn come first. Call [call tracking #] to schedule your tour.
